Slim and attractive lady. Small breasts with superb nipples and a smooth pussy. Made an effort to look smart and sexy.

The Story:

As reported in the past her ability to give a good time sexually has been detailed. I would say most of the reports are very accurate. What I would like to mention is her manner. Not only good sexually but also a really nice person who made you feel important, she also listened to the punter and tried to please any way she could. Only thing not allowed was anything anal
