The Premises:

House near Desborough Road. Well run, clean and organised. Parking not easy

The Lady:

Probably late 20's/early 30's. Gorgeous figure - long legs, pert arse, generous breasts but not top heavy. Delightful personality - nice and filthy.

The Story:

Haven't had access to a computer for a while, hence the delay.

I've had pretty indifferent experiences at Ruby's (short and dear by girls whose hearts weren't in it and overcomplicated menu) but decided to give Sam a try on the strength of earlier reports. Sam is v good at putting you at your ease. Friendly with lots of dirty talk. Having my fingers licked after I'd had them up her cunt and arse was a highlight. Finished astride her chest with her giving v accomplished deep throat. Still a bit brief, probably at least 20 mins of waiting, chatting, cleaning up etc but an improvement on others. Perhaps Sam should go independent and offer an hour, cum as often as you can. There's many who'd be prepared to pay a fair whack for that.
