The Lady:

I saw Mia when she was Julia with The Gallery (and citybutterflies also). I know hamilton's well so I am sure that 'MIA' will continue to give her best for this good agency.

The girl, tallish highlighted blonde, about 5'8" and slim, pleasant, attractive face and huge huge breasts. Yes they sag a bit, but we are talking massive - forget the E/F cups - she wears them but overflows then spectacularly - shes a natural 34GG - i know what Im saying.

The Story:

girl is a bit fresher and more natural then pics portray - but this is a good thing. She carries herself classily and dresses businesslike initially. She is well spoken in English and clearly a smart girl. Genuine Polish. Does a lot of international escorting I noted. Loves you to be polite and gentlemanly, and also to comment amorously/hornilly on her bust - with encouragement she will proudly display them for you and use them in every aspect of physical passion. OWO is good with CIM (toilet trot and spit). Cowgirl and dog amazing - boobs in orbit! v flexible (great legs too). Loves DATY with genuine (flushed with embarrassment? - surely not) orgasm.

Fun fun fun, and to be repeated in future despite soaring prices.
