### The Story:

well Phoebe what can I say, what time that was!!!!. I've not done the escort scene much but what am I going to do know, because where the hell am I going to get a blow job and sexual experience like that again ??? . I cannot rate you high enough x . As a nickname well you must be "ronseal" as you do exactly what it says on the tin and you protect my "wood" and keep it harder for longer !!!!... :-)

take care babe i'll be coming back ASAP,

kisses
