The Premises:

Karens is well looked after and has a good choice of rooms, I was in the mirrored room which was air conditioned.

The Lady:

Bianca is tall, slim, and about 26-28 year old, long dark hair and of quite mediteranian looks.

The Story:

We started with a massage with Bianca doing something really differant, she massaged me with her long hair, on the top of my shoulders, while her breasts tickled my lower back, very erotic experiance.

Oral was top class and soon had me ready to come, so I got into a position hwere I could spend time licking her out, and both of us appeared to enjoy this, soonl joined her for some kissing and cuddling, then back for more oral, I ended up wanking onto her as we kissed, which was a good way to end the session.
