AS per website. Stunning!

The Story:

She arrived on-time and we sorted out the finances. We talked for a little bit over a cold drink. Then we went upstairs. She kept on needing to go to the toilet, I'm not sure if that her trying to waste time. She wasn't very forth coming, wanted booze but I didn't have any, and was disappointed about it. She seemed a little bit drunk as I can smell the alcohol on her breath.

When we got down to it she smelt of cigarettes. Not pleasant. Very superficial massage. She wasn't keen on massaging my cock, no kissing, no OWO, no touching inside her.

After we did it and it was as quick as she can, there was definately no round 2.

Very disappointing!
