The Premises:

Very clean sauna at the back of the hairdressers. Very discreet. Ample parking. Spacious rooms upstairs, shower facilities.

The Lady:

Scarlott is very petite but curvy.. She has red hair and green eyes. Lightly tanned and very well toned. She has a great body and always like to dress up and has an array of uniforms.

The Story:

Scarlott also studies massage and really knows how to make you relax before she rolls you over and starts sucking you off. All with I am pleased to say. She will then ask you how you want to fuck her. Wow what a great time with a great girl who has a bloody great body. I will be back on Friday her other day...
