The Premises:

Nice part of Leeds with safe discreet parking.

A quick call from Trisha to confirm I had arrived
and I was entered into a spotless clean flat in seconds.

The Lady:

Trisha is a beautiful, stunning, curvy, voluptuous bbw woman with gorgeous "come to bed" hazel eyes.
Her seductive calm nature
will seduce you very quickly.

The Story:

This was my first visit to see Trisha and most certainly will not be my last! Her reviews from others
was enough for me to meet her and boy am I glad I did!

If you are fed up with parlours, unsatisfied, and want an experience you will not forget then Trisha is
a must for you.

Although I went in shy, within seconds she put me at ease by kissing me very sensually. She read
me like a book and had me under her very sexy spell instantly! She knew exactly how to flick the
right switches and I experienced things I could only previously fantasise about! I can honestly say I
have not cum like that before!

At no time did she watch the clock or rush me. I would love a whole day with this lady!

Afterwards we talked as if we had known each other for years. I also feel that I have also made a
new very special friend.

Trisha, you are simply the best!
