The Lady:

Lara's pictures on her site do not do her justice. Lara is warm,intelligent, witty and very beautiful as well!

The Story:

Well, Lara arrived a few minutes early in a nice summer dress in lilac and pink. We had a few minutes chatting and then went to the bar for a drink and something to eat.

Back upstairs and the fun began. I started to play with Laras nipples, I was amazed when she came. I then let slip that my nipples are sensitive, a big sexy smile broke out on Lara's face and shen then started to play with mine, wow!!! No one has ever played with my nipples like that before, they are still tingling as I'm writing this.

Yes I will be visiting Lara again soon, this lady is a diamond!!!
