The Premises:

Well reported place, spotlessly clean and very welcoming.

The Lady:

Absolutely gorgeous, it is an old cliché but the pictures really do not do her justice. Great smile, great body and to die for legs (which would look fantastic in seamed stockings).

The Story:

Had a really fun tie and tease session with a few kinky bits thrown in. What for me sets Danni apart is the enthusiasm that she applied to the session and I really got the impression that she enjoyed it as much as me. Nothing was too much trouble and I came out with a great big smile on my face.
