The Story:

there were 2 girls to choose from. I saw Louise and that was it -mind made up. We went into the room, she was chatting and very friendly. She helped me undress and kissed me passionately while she did it. Offered me a bareback blowjob and cum in mouth for ?20 extra. It would be rude to refuse such a nice offer. She massaged me and turned me over and with a glint in her eye started deepthroating my cock. Bliss. Amazing eye contact while doing it and nice to listen to her going at it. Stopped long enough to put on the condom then fucked doggy, missionary and cowgirl. Amazing. She could sense I was about to shhot my load as she stopped, took the condom off and started deepthroat again. Seconds later I filled her mouth with hot cum and she loved it. After she helped me dress and did more kissing. In 15 years of punting and over 200 girls she is one of the best. Her bareback deep throat CIM blowjobs are equalled only by Danni at Sandys and Zara at Fingertips. Go there, cum like you have never cum before and enjoy yourself.
