The Premises:

Ground floor flat very near Olympia station. It is where she lives and studies, so has a 'real' feel, rather than a working flat used only for punters.

The Lady:

Most girls are either prettier or less pretty than their pics ? she has the amazing advantage that she is EXACTLY what you see in the latest pictures on the website.

The Story:

All the other reviews are true ? she is lovely, friendly and enthusiastic, breasts and bum of a goddess, gives every appearance of enjoying her sex which she is VERY VERY good at, and has a body that you cannot keep your hands or mouth off ? in other words, she is the best thing around and gives greater VFM than girls charging twice as much.

An absolute star ? enjoy her, everyone.
