Details of Service Provider:

Website: <http://www.sweet-abbi.com>

The Premises:

Pleasant duplex in side-street off the Commercial Road. Looked lived-in, but clean and well ordered.

The Lady:

Well-grown, nice-looking young black lady with straightened hair and cropped pubes. The pictures on the website are obviously recent, and what you see is what you get.

The Story:

Was offered a drink (choice of mineral water or tea), and thereafter went upstairs. Was offered a wash, which I declined as I'd come straight from bath. Straight sex with condom, covered oral and massage were all delivered with grace and skill, though the massage wasn't terribly serious. This is a nice young lady, good at what she does, and taking pride in doing it well. Very good value for money. She offers a range of services, and if she can't suit you, it's YOUR fault.
