The Premises:

Nice clean, good receptionist, all descriptions of the girls were preety much perfect. There is a back enterance to the parlour which akes it discrete.

The Lady:

Late 40's very attractive, nice big natural tits, always wearing elegant dresses. Brunette with a nice figure.

The Story:

i opted for sex only which was 30 incl the 12 enterance. you can tell that she really enjoys what she does. starting with mish and then doggy style finishing off with her on top which she like as it always makes her come as she is in control. throught she maintained full eye contactd makeing loads of sexy noises and talking very dirty.

this was a true GFE, and boyz if u treat her well she will certainly repay the favour and you'll know what i mean.
