The Premises:

As advertised, Lady Marmalade's apartment is a decent, clean place in Central London. It's very discreet, a basement apartment, in a nice area of town. (Lot's of designer shops and cafes, etc.). Everything was very easy and I felt completely safe. This was important to me as it was my first time at a party.

The Lady:

There were three girls and a nice mix of body types and personalities.

Rocsi (btw, you're spelled Rosci in the Gallery), a young black girl (of Nigerian descent) with the longest legs and divine lips.

Gina, a very naughty girl with great tits. Not sure where she was from, but had a kind of maybe Mediterranean or Brazilian nature.

Gabriella, Brazilian, a little bigger (great to really get into) and a great kisser.

The Story:

I was really nervous both the night before and on my way there. I really didn't know what to expect given the crappy clippers and seediness of the likes of Soho (they're not in Soho btw). It was a little awkward at first as I was getting changed next to one of the other guys, but if you've ever been for a Sauna it's no different. That feeling soon wears off. In any case Lady M and the girls were very friendly, greeting me with a hug and a kiss and I felt like I was immediately amongst old friends. I felt quite free to say what I wanted without them batting an eyelid. Lady M offered drinks and food and everything (towels, showers, condoms, lube, etc.) was laid on.

Gina took me on first and we lay next to Gabi who was already going at it with one of the guys. Gina had a real naughtiness about her, loved sex and gave me a great BBBJ. She really egged me on to CIM and, despite my intentions to hold back and pace myself, I quickly unloaded into her welcoming (and giggling) mouth.

After a bit of wash and a break I had to give the lovely Rocsi a go. She seemed a little less openly confident (this was only her second party I think) than the others but really enjoyed herself too. Deep french kisses, great lips, and we tried all sorts of positions. In the end I asked what she liked and this got her going (lovely enough she likes mish and you to lie close on top, which felt very GFE too, I really liked that). I had another session with her just before leaving too, just us one-on-one on the bed (with occasional viewers). Very nice indeed.

I truly thought I was spent but then after another break (and a second shower - it's pretty hot this summer eh?) I took Gabi to the swing chair. This was pretty good fun and she was also a great kisser, but even though the swing is meant to be easy going I found it quite hard to get a good rhythm. Anyway, we fucked for a while like that (I mainly enjoyed her kisses) and then had a break.

Everything was really easy, nice to end with a bit of a chat and then out into the real world! If I have the time and money I'll definitely go again. As one other reviewer said, \$150 for a an hour with a WG and then you're off, or \$120 for two hours with three (or more) for as often as you like? No brainer.
