The Premises:

Nice quiet area on outskirts of York. Clean and tidy apartment! Plenty of parking space!

The Lady:

Debbie is about 5'6" slim, blonde in early 30s. She is very toned with nice tits! Suzie is slim about 5'5" with long brunette hair! Both girls are attractive so was not disappointed!

The Story:

This was my first punt ever, so I was very nervous to begin with! I didnt need to have been as these two lovely women certainly know how to please and made me feel very relaxed! I had a slow sensual massage to start with, plenty of passionate kissing which was a real turn-on, then got down to the real action! Without going into too many details we enjoyed lots of oral sex,(OWO) and intercourse in many positions! These two girls put you totally at ease and your pleasure is their sole concern! I had a very enjoyable time with these two and I will definitely be going back for more! Only regret is that I didnt stay longer.....maybe next time!
