### The Premises:

Very big basement flat just off of Edgware Road. Nice, clean and cosy.

### The Lady:

Slim girl with small, but firm breasts. Taller than what her pic make me to believe. very firm young body.

### The Story:

Charlotte wasn't my first choice. I had tried to make a late night booking and each time the lady on the phone will come back with "the girl is not available" response. She finally suggested Charlotte, so I went for her. She is a very friendly girl. Was smiling all throughout our meeting. made all the efforts, but for some strange reasons, I just couldn't get myself to cum. We finally had a warning shouted towards us from her flatmate to tell her that our time was almost over. I had to finish myself by hand, with her kneeling in front of me with her mouth wide open. To my disappointment, she turned away when I was cumming, saying "not in my mouth". Well a nice girl to be with but not for you fans of CIM...Ps I'm one of them.
