The Story:

With the ratio of 3 guys (& 1 left after an hour) and 3 girls how could you not enjoy yourself? I was 1st to arrive and was invited to shower put on robe and have a glass of wine in the lounge. Within a matter of minutes Robyn asked if I wanted to go to one of the bedrooms. I was enjoying Robyns fantastic tits when I was being groped from behind by Melissa, what a kick-off. On the bed with 2 babes sucking and playing with me - not surprisingly I got the first one out of the way by cumming over Robyns magnificent breasts. While this was going on the other 2 guys arrived. After a break back in the lounge I was lured back into the bedroom by Melissa and enjoyed an extended 1 to 1 session. With this girl that is quite something she is wonderful. After this it was back into the lounge for a well earned drink. At Lady M's they have a 10 minute rule- no longer than 10 minutes rest in the lounge. I managed 15 before going back to the bedroom with Robyn, quickly followed by Gina and the other remaining guy. So with 4 of us on the bed and hands and mouths everywhere a fantastic session started. As I was eating Gina's pussy I felt hands and mouth on me (Melissa again). Finally fucking Gina whilst sucking on Melissas breasts. How good is that? After the end of play spent a very pleasant half hour drinking wine and chatting with our genial host Moss.

All in all a fantastic evening it really doesn't get any better than this!
