The Premises:

Heather has now moved to another part of London but her flat was very cosy and her part of South London was fine.

The Lady:

5'4" tall and very pretty. Heather will make you feel special and very welcome.

The Story:

After numerous e-mails and several telephone calls during which time we had flirted with each other I finally met up with Heather outside a South London tube station. Heather is very easy to get on with which I had guessed from the e-mails but was confirmed over a light lunch at a local restaurant. Heather has long dark hair, very friendly and natural.

We chatted merrily away as though we had known each other for ages and the time just flew by before we headed back to her cosy ground floor flat picking up a bottle of wine on the way. Her flat was not over large but very nice and just the place to spend a pleasant afternoon. Heather has now moved to a larger flat in Notting Hill.

From the moment we entered the flat and settled down on the sofa we did not stop laughing.

Heather telling me funny stories while I tried to remember jokes I had been told.

Heather is not a clock watcher which is just as well so by the time we ended up in the bedroom, two thirds of a wine bottle later I could barely wait to get my hands on her gorgeous body. She has lovely boobs with the most suckable nipples. I will not go in to details of the bedroom fun but you will not be disappointed. Suffice to say is that seeing Heather climax should not be missed while my climax left me totally shattered.

I gratefully accepted Heathers offer of a bath and coffee before leaving and will definitely be making another date. If you are nice to Heather and have a sense of humour I can promise you will have a lot of fun.
