The Story:

This was the long-awaited second visit I'd promised myself, after having had a great time before. I was not disappointed. I won't go into details this time. What I do say is: visit her message board, check the pictures, read the Q&A page. As previous FRs have stated, Helen enjoys just about everything. We did many of the things mentioned in the Q&A, including something which was a new experience for me. She is very friendly, kisses wonderfully, and has a lovely touch. She enjoys her job, and is very good at it. All in all, a fantastic experience.... despite having to drive for 7 hours in a downpour!
