The Story:

well, i choose the aqua room for a change i had massage on a leather type couch, we then had sex in a couple of positions but, this bit i felt was a little rushed, i have had better but i have had worse, so what i will say is that if you are an experienced punter then see this lady, but if you are new too the scene she isnt for you.

i am going too say yes too seeing this lady again as i am on the side of maybe and you can do a maybe on here.

put it this way i think if melanie is available the next time i go i would have her instead.
