The Premises:

Nice flat... but a madhouse inside... Booming music from the other bedroom with lots of people clomping about...

The Lady:

Similar to pictures... Attractive, if not as fresh faced as the pics would imply

The Story:

Bad choice.... Without moaning for an hour this girl had a terrible attitude... She seemed to think my dick was radioactive! No FK, no OWO, despite what the website says... and just one pop. After a great run of puints recently, i made the classic mistake... choosing an unreviewed girl from an erratic agency...
