The Premises:

The parlour is located on Nantwich road. This is a reasonably busy road on the outskirts of crewe, near to the station. It feels safe. Theres lots of on-street parking on the side streets behind the parlour.

The parlour is clean and spacious. It does however smell of smoke - maybe the receptionist smokes?

The Lady:

There's no reason to doubt the information given on the website. The only thing you don't see is her face. I can assure you that Jennifer is very attractive.

If you like Blonde, buxom, tall women then maybe jennifer is not your best choice. If however, you like petite (but still curvy and shapely), pretty,cute and innocent looking then jennifer is your woman. She also has a lovely soft accent which puts you at ease.

The Story:

Started with a back rub, pretty standard. I then turned over and gave her a rub down.

She turned over, we kissed (with tongues) for a while. Some mutual masturbation was going on.

Jennifer then gave me some oral. We ended up in a 69 to finish off wih

Overall a great punt with an exceptionally nice looking lady.
