The Story:

I haven't felt compelled to write a report before despite some fantastic punts from this agency but Monika was a total let down. Technically fine, but the lack of enthusiasm, disinterest and even disgust (and I'm no weirdo - nothing was attempted or was asked for that was out of the ordinary) made this a real disappointment. She did a lot of lying back and doing nothing, never took the initiative and after 20 minutes I got up and left feeling annoyed and humiliated. Barracuda has loads of great girls - Vanessa, Liah and Tiffany among them, but avoid Monika at all costs. Waste of time and money and a let down for the agency
