The Premises:

As per other FRs, clean, well kept basement flat in Wyndham St.

The Lady:

Slim, about 5'3" tall with a sparkling personality. Although the photos on the website blur her face, she is, to my mind, very good looking. Despite the late hour, she was remarkably cheerful.

The Story:

After another late night, I opted for the 20 minute massage/oral/sex package to ease my pent up frustrations of the day.

I have seen and reviewed Aisha before and had not been back to see her for a while, although she did remember me.

We dispensed with the massage element and at my asking, she knelt down at the end of the bed and gave me a nice slow covered BJ while I stood and watched us both in the mirror. Then it was on to the bed for a vigorous fuck to a climax for me and some sighs & moans from Aisha, although I think she was faking it.

Nevertheless, I enjoyed myself and left the flat a happy man.

She told me that she was covering for somebody that night, but normally worked on Sundays. I would happily see her again and am pleased to recommend.
