The Story:

I have just realised that I am confused with days/nights/dates, but this meeting was on Monday night/Tuesday morning, 1st August.

I read upon the Announcement Board that late nights were available again at Indian-Palace and fancied a "quickie" on the way home.

Anisha was working that night and despite the late hour, seemed happy to see me and quickly put me at my ease. There are various services and time spans available from a "menu" board on the wall and I chose the ?70 massage/oral & sex offer, although we forgot the massage.

As we progressed, Anisha mentioned that she kept looking at herself each time she passed the mirror. Never to miss an opportunity, I had her kneel and give me a BJ in front of the mirror, so we could both watch her in action. It seemed to turn her on and certainly did for me !This was followed by her kneeling on the bed while I took her from behind, both of us still watching in the mirror. The climax was very satisfying indeed and I highly recommend Anisha to others. Treat her well.

The only "downside" to this report is that I wanted to visit Anisha again for a longer session last Monday/Tuesday and phoned and booked the time. However, when I arrived, the maid had let someone else in in my place and I was not willing to wait until Anisha was free again. I was very disappointed that night.
