### The Premises:

Neat flat just near Olympia station which she shares with another WG. As I have had that other girl frantically bouncing on my cock on several occasions (Camila of Touch of Class if you need to know) what follows is the more surprising.

### The Lady:

Exactly as she looks in the pictures, smooth young skin, nice breasts and a pert bum that looks perfect for doggy - how wrong can you be.

### The Story:

Generally I am easy to please, but this is one of my fairly rare bad reviews - but deserved.

She is a really nice kid, but clearly shouldn't be selling her body for sex which she clearly doesn't want to give. She made absolutely sure her lips never came near mine at any time, a dead haddock would have been more lively during the opening reverse oral I gave her, she put the macintosh on with little enthusiasm (making no attempt to make oral contact with my cock) and took a doggy pounding as though I was not there. Left me to clean myself up and showed no interest in reviving my limp friend to give her any more.

I left after 25 minutes having paid for 45, but there was no point in staying.

Stay away guys - she is in the wrong business.
