The Story:

well in the room it was a nice massage choose a 45 min massage and was delighted to see anna again not seen her for ages to knows how to give a good massage, she massaged my back and legs to start off with, just wearing a black bra and a black thong she knows how to ease the cracks in ur back.

I choose a reverse oral massage, she took off her bra and panties and lie on the massage table she has got a cute body, would say her tit size is a e cup, got her really wet when i stook my fingers in that wet pussy she loves ur teasing her clit and did manage at one point get four fingers inside her, if any one has full sex with her then she is an animal
