The Premises:

basement flat in Maida Vale about 5-7 mins walk from Warwick Ave tube station. 1 bed flat but she worked in living room - large room, very clean. Bathroom okay not great and sink was broken.

The Lady:

Very young girl and improbably nice. While not at all ugly, she's not a looker though - these pics are probably making her even nicer than she is. Basically a simple gal next door type, skinny, minute tits, and flat ass.

The Story:

She was very enthusiastic, kissed deep and long and screwed very well. No complaints on that front.

For a full hour at ?150 there are ther girls on the website I'd rather see, but for a quick half hour at ?85 she gave very good value and was worth it for one time. Melissa wouldn't be a repeat gal for me, like Cindy in same flat was, but still she's worth seeing at least once.
