The Story:

I made an appointment for 16:00 when I arrived I was greeted at the door by the stunning Julie she was wearing a black dress that looked fantastic on her. She welcomed me in. she is a very graceful lady from the way she walks as I looked at her great ass. As I followed her into the kitchen. Julie then offered me a drink. She then took me upstairs as she showed me to the bed room jade came out and said hi she also is a gorgeous blonde. They also offer a two girl service which I hope to be participating in soon. Julie is a very beautiful and charming lady that I had the pleasure of spending time with. she give a wonderful service and really seem to enjoy her work. Julie gives amazing owo and the sex was incredible

Julie is a star and should be treated like one and I will be going back very soon.
