### The Premises:

Very clean, upmarket basement flat, three bedrooms and two showers. Very safe and totally discrete

### The Lady:

Three ladies:

Mellissa: what can you say beautiful, Brazilian and about as sexy as it is possible to be: Mellissa is very special;

Dani: petite and very fit blonde English girl. Great toned body and lovely breasts and a really nice girl with an incredible appetite for sex

Asha: young Indian girl a bit nervous and shy but warmed up and was good fun

Also Robyn (wow what a body) and Lady M were present but not playing

### The Story:

My first party and it certainly won't be my last! Maybe a bit unrepresentative because ratio was 3 guys to 3 girls.

Two hours of great sex, lots of OWO and reverse oral and lots of fucking in every conceivable position. Highlight was Asha sucking me while Mellisa fondled me from behind and fucking Dani is an experience every man should have at least once!

During rest period nice food and drink very pleasant chat with the girls and the other guys and Mos. All in all a great time even went for a couple of beers with the guys afterwards.

A really good experience with great sexy girls
