The Story:

Lara has been a name from various message boards for quite a while and I had for a long time had it in mind to seek out the lady behind the posts when the opportunity arose. I am really glad that this month it did.

She turned up promptly at the time I had been forced to rearrange (which she accommodated graciously) and I met her in the car park as the way to my room was labyrinthine.

Over dinner she was a charming companion, easy to chat to and happy to discuss how she came to be where she is and her attitudes to it, in a frank and forthcoming way, which I always enjoy. Back in the room she lived fully up to the promise of a sensuous and fully committed session and I had a great time. She does not do OWO but makes up for it by using her tongue on all the right surrounding spots. She is no clock-watcher and overstayed her time by quite a bit. Altogether a lovely evening with a lovely lady who is a joy to be with. Thank you, Lara. Here's to the next time!
