The Premises:

Usual Scorpio - shower, shave, nice 'n relaxed. Plenty of moans coming from the rooms but with the festival on in Edinburgh, it seemed the punters outnumbered the workers.

Had a chat with Robin and Rianne and another young 'n fit lady incame in after finishing off her customer- I was tempted but thought she woud be worn out without a break. Rianne seemed slim 'n chatty and Robin was too voluptuous, milky-white boobs pouring out St Trinians outfit for my taste.

The Lady:

Rianne is redhead in her 30's, 5'10 in the stockings with legs that go all the way up to her ass. Wearing fishnet stockings, purple bustier and long hair.

The Story:

She gave me a backrub soon punctuated with plenty of attention to sack and crack, flipped me over and soon got her gums around my bald balls which was nice. Some nice friendly

At this point I asked her what her speciality was and she said she was good at everything. No talk about costs, she stripped pole-dance style to her fishnet hold-ups(funnily, kept snagging on her charm bracelet). I feasted my eyes on her legs, ass, mound and tight belly. Her tits were neat and pert.

Anyway she lay beside me and we caressed and kissed with tongues. I was on a hair trigger which she sensed and she pulled back and got her gums around my bellend BB. My balls and shaft got plenty of attention and soon she was putting on a cover on me with her mouth.

She mounted my pole and rode with gusto, then I flipped her onto mish with rer ankles hanging off my ears and pumped he good. By now I was enjoying sliding my shaft to the hilt so much that I couldn't get myself off despite her best efforts to milk me dry with her pelvic ring. Her legs spasmed around my back and I felt her seize up with some genuine sounding yelps.

I turned her legs around so I could see her stretched clamshell and ass and fucked her hard. At this point I withdrew and asked if I could cum on her tits. I had 2 weeks jizz stored and she took off the cover and stroked me to a cataclysmic climax as I spurted a flood of jizz on her chest and she wiped my glans on her nipple.

I was totally spent and satisfied. A great GFE with plenty of patience. I hope she's there in 12 months for my next annual treat.
