The Story:

Had read very good reviews on Monika, not my first choice of girl but had to do. Wasn't offered a drink, but was offered a shower which I accepted. Came back in and Monika was sitting naked on her bed. Then she proceeded with one of the best BBBJ I had had in a long time, (her flat mate walked in by accident and was appologetic) very enthusiastic which was great and she just kept going, just as I was about to cum she pulled out and finished me off by hand on to my chest. So far so good. Then all the enthusiasm went, she had 3 or 4 phone conversations in Russian and then offered more sex. I was well spent so needed time to recover. Her conversation skills are very limited to "yes" or "no". She tried to rouse the old fella but there was no lust no passion and that was that. She laid on her back waiting for me (nice looking shaved pussy) but she looked so bored it was off putting. Told that was that and I was going.

Overall very good BJ but that was all and was enthusiastic as Paula Radcliffe's foot after the London marathon!
