Servicable 1 bed place. Bin half full of used johnnies a bit of a shame.

The Lady:

Hard bodied blond as per website, but with a slightly daft look about her.

The Story:

What a strange girl. She would stop during sex and say "what colour are your eyes", and seemed to have giggling issues. I think she might be a bit simple?? Also doesn't like minty breath, and had a fag on the go when I arrived, so there wasn't much DFK. Anyway she was very fit, so can't complain at this price.

Gave a very very good BJ OWO for about 15 minutes, nice and deep, no teeth, a real pro. I really enjoyed fucking her mouth. Sex was ok, a few positions, nice and tight, didn't really want my fingers in her but I had a pump anyway. Didn't fancy going down on her - not that she smelled, she was fresh, but I just got the snease of dirtiness from her - probabl remembered the bin in the bathroom and didn't like the thought of sticking my tongue where 7 other cocks had been.

Anyway the main event was CIM and this was where I gave her a real mouthful. Hadn't come for a week so I had one full squirt, she began to pull away, but then my second squirt kind of half went in her mouth, half over her face and the floor, then a final squirt went over her body and dribbled down towards her cunt!!! Priceless. He he she wasn't too happy, I don't think facials are on the menu, but nice to see my sticky white love piss literally EVERYWHERE. Felt a bit embarrassed with all that jizz everywhere, so didnt hang around for seconds.
