The Lady:

Gorgeous very pretty petite except for her fabulous big boobs. Candice's skin is like a chocolate mousse coloured silk! Wonderful eyes big smile. very sexy, probably obsessed by sex and slightly mad in a very nice way. She is from Germany but it is not too obvious.

The Story:

We hit it off immediately as Candice was quite happy for me to explore her when she came in the room. Gathering our decorum she made me lie on the bed for a fairly brief massage though I was aware of her hot pussy as she sat on my bottom. She was quite happy for me to feel all her assets but the temperature was rising rapidly and she felt it sensible to give me a little suck. It took all my concentration not to come as it was fantastic. then we went through cowgirl, doggy and side-saddle before spooning. She was fantastic and loved every minute. Thank you Candice. She did make me promise to return to eat her pussy. That is a promise I will definitely keep. (If my heart can take such marathon exercise!!)
