The Story:

Nadine was very friendly and affectionate and, quite frankly, was a dream come true. I was immediately captivated by her, and hard from the moment she brushed against me; she didn't have to do anything! She gave me the most wonderful feeling that she was delighted to be with me, and enjoying herself the whole time. I cannot say more, she is just lovely and any words of mine would make her charms seem pale! She should be married to a good man and having lots of babies, not doing this! For this reason I cannot possibly recommend her.
