The Story:

Been trying to be a good boy since meeting a lovely girlfriend last year:) Reading through these reports brought back happy memories of times spent at Scorpio though, had a spell when I was there every few weeks a couple of years ago. Miranda definitely my favourite. Never fails to get me horny thinking about those sexy big lips sliding up and down my cock. Mmmm.

Miranda always recognized me even if I hadn't seen her for a while and always loved to chat, in the room I always found her very accommodating, lots of oral WO, small vibe up my arse while she sucked me, reverse cow girl a real speciality. Talked dirty all the way through it, telling me about losing her virginity, and about sex with other punters before me etc. Usually finished up with cum all over those big tits, and spashing up her neck to her face. Really horny girl, don't know how long I can resist going back?
