The Premises:

I love this little place, its so warm and welcoming. Was introduced to 2 ladies both lovely but Chelsea caught my eye with her warm red hair and genuine smile. Parking safe on a meter on Nelson Street itself.

The Lady:

So glad I picked Chelsea she's a star. Glamorous lady in her early 30s with a lovely curvy figure. Genuinely nice lady. Had a massage then down to business which was slow and sexy. Chelsea knows how to treat a customer, her experience shows.

The Story:

As I've said I love this place, the boss is a former worker and keeps the place in ship shape order. That goes for the girls too, one step out of line and their out. I feel safe here and always get a good welcome. I also like the way you can meet the girls beforehand and are under no obligation to stay, although the receptionist are very cautious of timewasters, so dont even think its a place were you can get a free ogle.
