Died blonde long hair, medium size tits (but flabby).

Figure a little bit flabby as well.

The Story:

This was not a good experience.

To be fair, I have very demanding requirements of an escort, however I take the time at the start of the visit to explain exactly what I want and make sure the girl understands.

Inessa initially asked for more money than agreed with the agency but agreed ultimately agreed with the listed price.

Very soon into the session she said I was asking for too much sex and she usually liked to talk more.

She didn't liked being kissed or licked.

She didn't want to kiss or lick me.

We agreed to CIM at the end, but when we got there she refused.

Very disappointing.
