The Premises:

Clean, tidy and well hidden round the back of a main road. Very safe area. Offered drinks and shower facilities, before and after.

The Lady:

Extra slim, tanned, sexy, i would say late 20's, tits to die for with nipples that go on forever!

The Story:

This lady is awesome, as it was a first for me she immediately put me at ease with polite conversation. But i'm sure she would love to be dominated!

She undressed me and allowed me to lick and suck those delicious nipples. After getting out of her tiny bra and panties she laid me down for what seemed a very professional massage, paying particular attention to my balls, sensation was amazing!!

She put on the hat and straddled me in 69, gorgeous, delicious pussy, but i was nearly exploding after only a few minutes of expert Oral!! She then squatted on top of me, the tightest pussy i have felt in a while and what a sight with her bouncing up and down on my cock!!

I finished up in doggy, how much she enjoyed it i don't know, but after a first time experience i may well be back!!
