The Story:

I've seen Rebecca twice before and I can't get enough! Opted for the full GFE this time, and she doesn't disappoint. As soon as I was naked she kneeled and began blowing me - not the most expert uncovered BJ but she gives it plenty of enthusiasm, looking up with those great eyes almost took me to the edge; and then onto the bed for me to oil and massage her lovely big breasts, bringing her nipples up hard before turning her over to kiss, lick and stroke her gorgeous bottom. I then went to lick out her tight, sweet pussy, getting her quite wet and close to coming before she wanted to fuck. I had her on top this time, pumping me hard nearly to the point of no return, then I pulled out and she handed me until I burst all over her breasts, rubbing it all in. Needless to say, I left feeling on top of the world! Rebecca, I'll be back!
