The Premises:

Small place in the main street in Crewe above a shop. Friendly, clean, with front and rear entrances. Two main bedrooms as there are usually two girls working each day. There is a small car park at the rear but there is plenty of parking in the side streets or at the nearby Kwik Save.

The Lady:

Louise is a petite Blonde with a good figure, pert breasts and shaved down below. A previous FP stated that facially she is like Melinda Messenger, but she reminded me of Billie Piper - not that I have shagged Billie Piper....yet!

The Story:

It was a Bank Holiday Monday with nothing special planned so I thought I would pay my second visit to Brooklyn's as I had the urge to give a girl a good spunking in the mouth. There was a choice of two girls on the rota so I made a booking to see Louise.

I arrived about five minutes early and was greeted by the cheery receptionist who, without delay, showed me to the rear bedroom where I settled the financial side of things and also said a brief hello to the other girl Astrid (very nice).

A couple of minutes later (thankfully none of the usual ten minute wait here) Louise entered the room wearing a bra and G string and proceeded to give me the usual back massage/ball fondle while we had a chat. Things began to stir down below so I turned over while Louise removed her underwear, I then had a good fondle of her pert breasts and lick/suck of her nipples before she went down and gave me OWO (extra ?10). I amused myself by rubbing her clit and slipping a finger into her very wet, tight pussy.

As I was close to cumming, it was either on with the condom for a shag or to finish the session by giving her a good mouthful of spunk. I preferred the CIM option this time (another ?10), so after a bit of handiwork I told her to prepare for a good mouthful and sure enough came big time into her mouth. I did expect a few stray shots but she closed her lips around my knob and caught it all, not a drop was spilt! She did say earlier that she doesn't swallow so she discreetly spat it out into a tissue while I cleaned up.

A rather pleasant start to the week and I drove home with a smile on my face. Again I have selected No to the second question as I rarely see the same girl again, although I will be back, Astrid looked

too good to ignore.....
