The Story:

I have been to these parties on six or seven occasions this year. Saturday night is busiest with some visiting 'swinger' couples. Mid week afternoons and evenings the ratio can be one-to-one - I had three girls all to myself on one Wednesday evening! The atmosphere is friendly run by the host Alex and two girls Pam and Sheila who take care of your belongings ,serve drinks and generally make sure the place is kept tidy. They also join in the fun. The quality of the girls has noticeably gone up as the venue has become more established. I spent over two hours with a very sexy lady,Yasmin who french-kissed me for well over an hour whilst jerking me off and squatted on my face whilst sucking and fondling two other guys and sucked me to completion after them. Where else can you have sex oral and kissing with a variety of girls for four hours for ?100 and cum as often as you can manage? I'd say this venue represents good value compared to the other parties in London and compared to visiting girls for an hour on a one-to -one basis. The feeling of not being rushed is worth the admission price alone. Recommended
