The Story:

Found this site from a friend of mine, and was happy to read the reports on several women. Was looking for a blonde lady and tall, as I'm 6.3 myself. Decided to phone 3 girls that I had singled out, but found that it was only Julie that answered the phone to me.

After a quick chat on the phone I made a booking for later that night. Arrived on time and was offered a drink. Beer, wine or soft drink? I choose the soft drink. This is when I met the other girl that works with Julie, the lovely Jade. What I didn't know at the time of making my booking on the phone, was that Julie does a girl on girl show for ?190.00. Last time I had some of that was when I stayed in Germany.

As the original price was ?110 the thought of two girls for another ?80.00 was too good to resist. Jade is also blonde and tall and has great tits, just a bit bigger than Julies. I went up stairs with the girls paid the money and stood back while two horny girls did a great show for me. After about 10 mins the girls then turned to me. My cock was rock hard after watching that for just a while and noticed by both of them. They then undressed me and both took turns on licking and sucking my hard cock. Both women are shaved and I played with their sweet pussies which were very wet from the licking they had given each other. Whilst I licked one girl the other was sucking me. I was in heaven all right. I was ready to cum now and got the girls on their knees so I could cum in both of their mouths. MMMM that was fantastic to watch them swallow the lot.

After a drink of my water and a little chat I was hard again and ready to fuck some pussy. On with the condom and both girls turned round and showed me their arses. Spoilt for choice so I took Julie first then had a bit of Jade, god this was good. This time I wanted to give one of the girls my load

inside so with a few more strokes I gave Jade my second load. After I fell back down on the bed Jade took my condom off and both girls slowly licked all the juice that was left on my cock. At no time did I feel left out and while talking to these girls found out they are infact lovers for real. WOW , deff be back for more of the same now I have found two horny playmates.

I was spoilt from the moment I got in the bedroom till the moment I left the house. Highly recommend these lovely women.
