The Premises:

Other punters have been very critical of the area, giving the impression that it's like Bagdad after the Yanks have blown it into democracy. It's just a Bristol council estate. Roxanne has a top floor (penthouse) flat in a small block. Bedroom is large enough for a shag.

The Lady:

Attractive slim blonde in her 30's, but looks younger. Very friendly, good humoured and accommodating. A lovely sexy woman.

The Story:

Asked her to dress in skirt with stockings and sussies, which she was very happy to do. Started with kissing and fondling - first standing up, then lying on the bed. Gave her nipples a good suck and they stiffened nicely, then worked my way down to her stocking clad legs and licked her pussy. Roxy seemed to enjoy this bit particularly.

Then she gave me an excellent bareback cocksuck, with deep throat - one of the best I've ever had. We then shagged in the usual positions, whilst Roxy remained clothed, though with all the sexy bits on show. Great orgasm to finish.

She's a lovely friendly woman who I think enjoys what she does and the people she meets.

I'll certainly return for some more horny fucking.
