The Premises:

very nice place, safe clean and very hospitable. Good rooms with mirrors on the wall and dvds playing.

The Lady:

very pretty blonde english girl, wavy blonde hair about 5'7". good body and a nice personality.

The Story:

Have seen carly quite a few times and it is about time that all you punters give this establishment the credit it deserves, carly is your real life porn star, her own dvds are playing on the tv...so you are actually with the porn star that is on tv...wicked turn on.

carly really does take her time with you and if you like oral deep and wet and totally swallowed then she is the girl for you. She does deep throat slow and hard and when you have cum in her mouth she shows you before she swallows the lot, just like in the porn films.

She is a diamond at laceys guys, so go give her a go.
