The Lady:

Mature, very well presented Glasgow lady. 50ish, 5'6", great body...

The Story:

Saw Marnie twice around 2000/2001, then migrated down under. Back July/August this year for holiday and visited Marnie three times in 3 weeks, travelling up from Midlands.

Marnie is one of those ladies who I believe that nothing would shock her. You tell her what you want, she will provide.

She'd usually start on me with a nice massage, followed by her licking and sucking my cock and balls, followed by a real good rimming, with her tongue really opening up my arse for her strap-on. This she would use expertly, following up with various other toys, butt plugs etc. On my last visit with the use of her poppers, she actually fisted me... awesome!!!

If you also show her some attention you will be equally rewarded...her tits are to die for, and make a point of getting lost in her beautiful juicy cunt and arse....she enjoys it all as much.

On our last occasion we both came in the sixty-nine position, and just as I was coming back to earth, she kissed me full on the lips releasing all of my come into my mouth, unbelievable!!!!

Treat this lady right, you will reap the rewards, but be quick, she is retiring in 5 years!!! I'll be back before then....

PS Does anyone know where Mary from Hereford disappeared to?????
