The Story:

Although Cathy may not be much to look at (she said that herself!) she more than makes up for it with her attitude to customers and she is very friendly indeed. I was nervous but she immediately put me at ease.

I went to see her based on other reports and I have to say the uncovered blowjob she gave me was excellent and it is obvious she enjoys doing it too. It wasn't long before I was watching my cum shoot over her face. She may not be to everyone's taste but if a great uncovered blowjob is what you are after Cathy is the girl to see. Treat her nicely and she will do the same for you. I will definitely be seeing her again soon.
