The Lady:

The web-site gives a fair picture. Cameron has a nice figure, slim but not skinny. I would say she is very attractive but not as stunning as in the photos.

The Story:

Cameron has good English, and seems to be comfortable with what she is doing, along with a cheerful disposition, so you're onto a winner straight away. Oral technique was good until resorting to hand assistance, and she happily switched from cowgirl to reverse cowgirl, without seeming to have done reverse before. So 9/10, I think and definitely recommended. Would I go back ? Yes. Will I go back ? Maybe : we just did n't click as I had with Michaela or Claudia, so I would probably be trying to book someone new as first preference. Take care of her, guys, she's a lovely girl.
